

# PRINCE GEORGE'S COUNTY ADVOCATES FOR BETTER SCHOOLS

*Informed connected empowered*

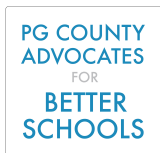

---

A group of parents, teachers, and community members dedicated to improving our schools by providing the information and support you need to become advocates for positive change in the school system.

Our goals:

- Facilitate parent and student activism within the school system
- Give community members a platform for sharing their experiences and ideas
- Encourage parents and teachers to give input into policy, budget, and curriculum decisions
- Strengthen the relationship between the community and the PGCPs administration and the board of education
- Promote a culture of openness and responsiveness
